Dear client,

We are an experienced provider of corporate and financial outsourcing solutions to a wide range of institutional, corporate, private, financial and fund clients. Although we aim to provide a high standard of service, it can happen that errors are made, which may give rise to complaints.

The person in charge of the file shall:

- Keep you informed of the follow-up of the complaint;
- Provide an answer without undue delay and in any case, within a period which cannot exceed one month between the date of receipt of the complaint and the date at which the answer was sent to you. Where an answer cannot be provided within this period, the person in charge of the file will inform you of the causes of the delay and indicate the date at which its examination is likely to be concluded.

Where the handling of the complaint did not arrive at a satisfactory resolution for you, the person in charge of the file shall provide you with a full explanation of Apex's position as regards the complaint.
